## FINE HIMALAYAN SALT POUCH 5LB

With 84+ minerals and trace elements, Himalayan Pink Salt is widely acknowledged for its nutritional value and therapeutic properties. Packed in a 5lb stand-up pouch, this premium, unrefined, hand-harvested fine-grain Himalayan salt has a natural dark pink hue with authentic taste and mineral richness.

## INGREDIENTS & PACKAGING

100% natural Himalayan pink salt, unprocessed, with no additives, preservatives or free-flow agents. Packed in a durable, transparent PE stand-up pouch with resealable closure to protect from moisture and maintain freshness.

## BENEFITS & USES

Ideal for everyday cooking and seasoning, this product adds natural flavor before, during, or after food preparation. Often favored for its trace minerals that support hydration and electrolyte balance. Its distinct crystalline structure and subtle mineral-rich taste enhance a variety of dishes.

Himalayan Pink Salt is natural and the purest form of salt on the planet. With 84+ minerals and trace elements, it is widely acknowledged for its nutritional value and therapeutic properties. Used to add flavor to the cooking, this gourmet salt also lends a novel presentation to the food.

Selrox Himalayan Salt products are fully certified 100% natural with no additives or preservatives, produced and packaged under a stringent process that guarantees finest quality to our customers and consumers.

## Fine Pink Himalayan Salt
