BENEFITS & USES

BBQ & GRILLING: Sear meats, seafood, and vegetables with a natural, gourmet flavour

COOKING: Retains and distributes heat evenly

SERVING: Chilled tile can be used to serve sushi, fruits, cheeses, and desserts

Health & Taste: Naturally seasons food

AESTHETIC APEAL: Adds a rustic, artisanal touch to kitchens, BBQ setups

GIFTING: Perfect gift for grill lovers in your circle!

Himalayan Pink Salt is natural and the purest form of salt on the planet. With 84+ minerals and trace elements, it is widely acknowledged for its nutritional value and therapeutic properties. Used to add flavor to the cooking, this gourmet salt also lends a novel presentation to the food.

Selrox Himalayan Salt products are fully certified 100% natural with no additives or preservatives, produced and packaged under a stringent process that guarantees finest quality to our customers and consumers.

Himalayan Salt BBQ & Cooking Tile

The Selrox Himalayan Salt Tile is nature's cooktop and serving platter in one. Handcrafted from pure Himalayan pink salt, it offers endless culinary possibilities while delivering the natural benefits of 80+ trace minerals. Harvested from deep within the ancient Himalayan mountains of Pakistan, this salt remains untouched by pollution or additives, making it one of the cleanest, most natural salts on earth.

FEATURES & APPLICATIONS

Premium Quality: 5 kg solid salt tile (12" x 8" x 1.5"), carved from 100% natural Himalayan pink salt.

Health Benefits: Contains 80+ trace minerals essential to wellbeing.

Food Safety: Naturally antimicrobial surface resists bacteria and germs.

Cooking & Serving: Heat on grill, BBQ, stovetop, or oven to sear meats, seafood, and vegetables with rich flavor; chill in freezer for serving sushi, fruits, and desserts.

Certified Production: Manufactured under strict quality standards in a GFSI-certified facility.

Versatile Use: Functions as a cooking tool, cutting board, or elegant serving platter — ideal for home chefs or as a unique BBQ gift.
